AdventSource: [www.adventsource.org](http://www.adventsource.org)

AdventNorth: [www.adventnorthcanada.com](http://www.adventnorthcanada.com)

### \*\*\*NEW\*\*\*

- All Pathfinder, Adventurer and Master Guide Clubs are now responsible for their own uniform, awards and honours, and other supplies ordering!
- The Alberta Conference will reimburse clubs for the cost of shipping on orders from AdventSource and AdventNorth, provided the normally offered method of shipping is used or a lower mode of shipping.
  - AdventNorth offers FREE standard shipping on order over \$100. Rushed shipping will cost you extra.
  - AdventNorth has assured me that anything available at AdventSource can be order through AdventNorth.
- If you must order from AdventSource, the best way to save on the cost of shipping and duties and taxes would be to request your order be shipped to you via USPS (United States Postal Service) which will add only a couple extra days to the delivery time.
- For reimbursement of shipping costs, please send a copy of your receipt to David Benjamin at [dbenjamin@albertaadventist.ca](mailto:dbenjamin@albertaadventist.ca).

### \*\*\*IMPORTANT NOTE!!!\*\*\*

- We recommend that **ONLY Club Directors** order Adventurer, Pathfinder and Master Guide supplies from AdventSource (conference code required) and from AdventNorth. This will hopefully prevent the order of awards and honours by individuals that haven't done the requirements to get such awards and honours.
